

LESSON: COLOR WHEEL UMBRELLA

GRADE LEVEL: INTERMEDIATE

OBJECTIVE: Students will learn/review the primary and secondary colors by creating color wheel

MATERIALS/MEDIA

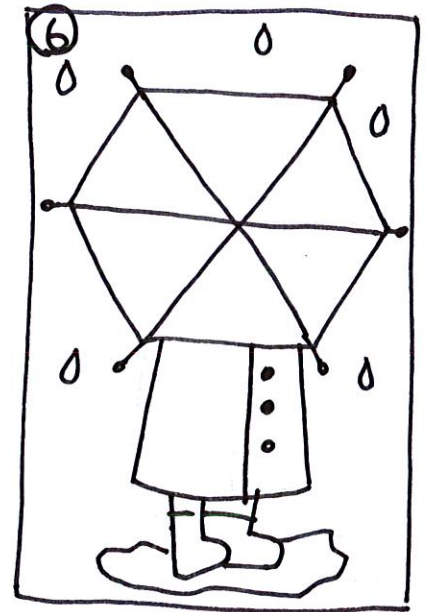

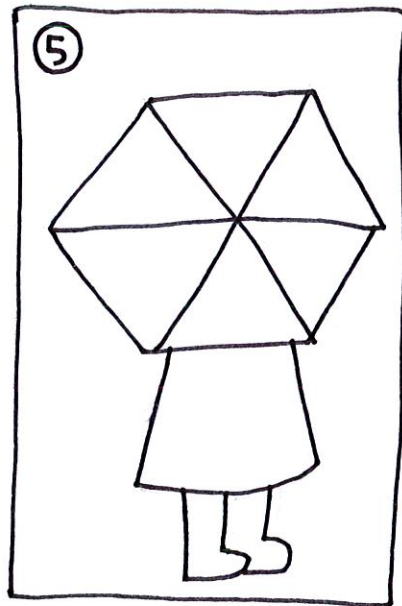

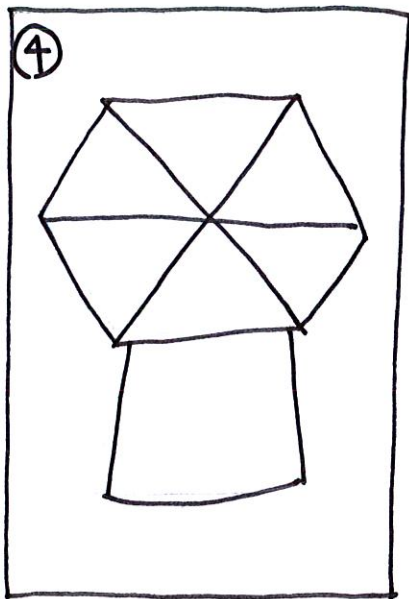

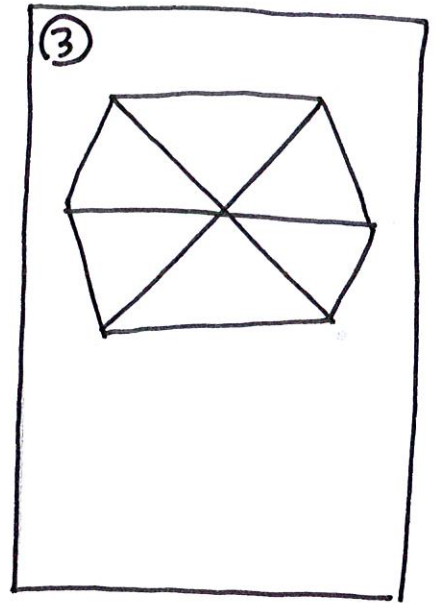

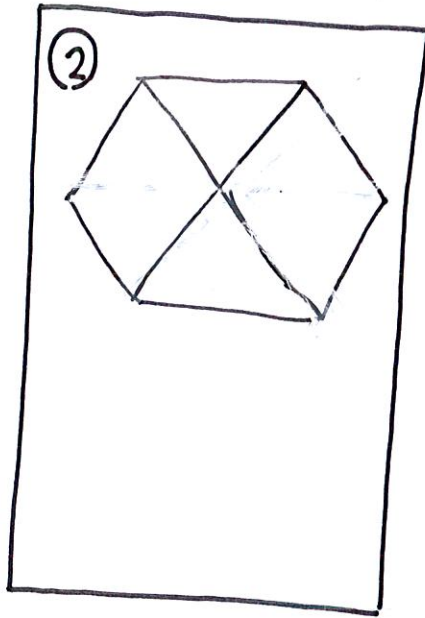

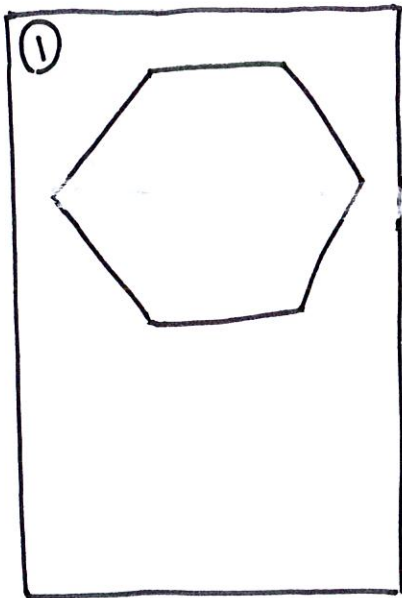

White 9x12

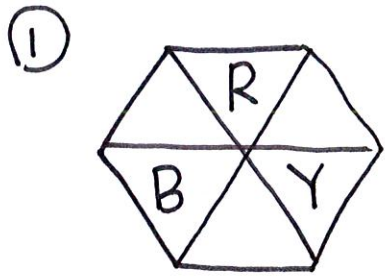

Permanent markers

Oil pastels

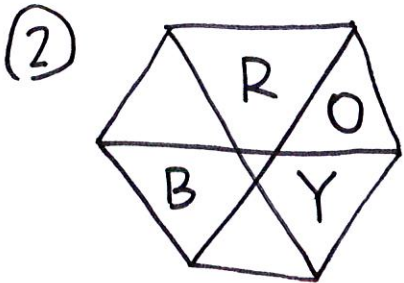

LESSON STEPS/PROCESS

1. Quickly review the primary and secondary colors with students; you can use the color magnet to label and list on the board
2. Have students sit and pass out paper and permanent markers (they can use a pencil first if they like)
3. Do a draw along with students by following the steps on the guide
4. Have students color their umbrella using the oil pastels, starting first with the primary colors (refer to guide sheet)
5. Demonstrate how to create the secondary colors (refer to guide sheet)
6. If time, have students color their raincoat, legs, etc.
7. Clean up the last 5-7 minutes of class, students write names on back of paper and collect them for next class

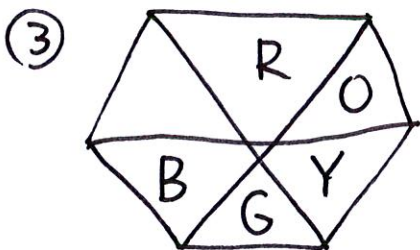

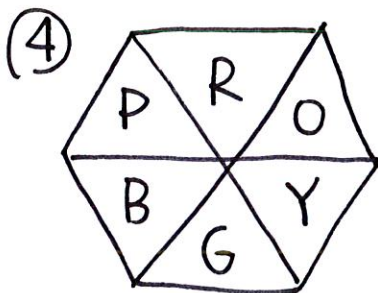

color primary colors
red yellow blue

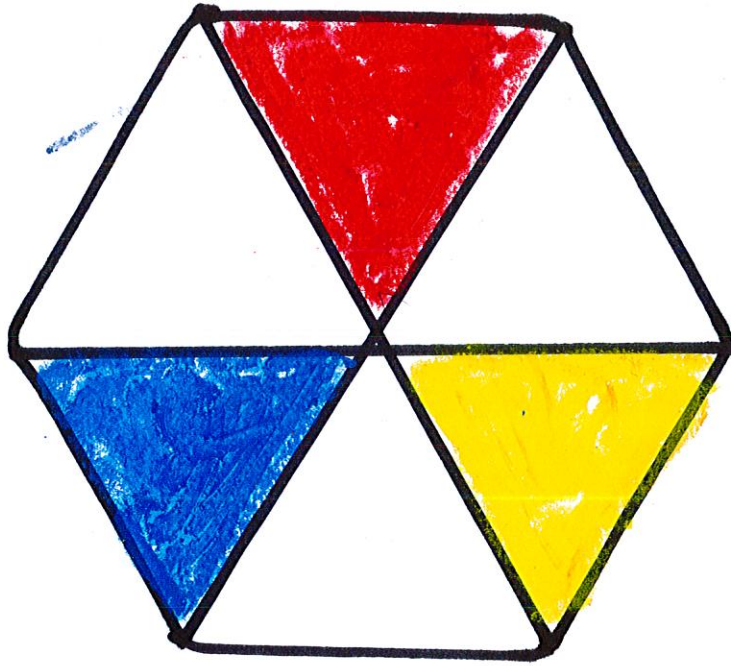

make orange
red (color LIGHTLY) + yellow

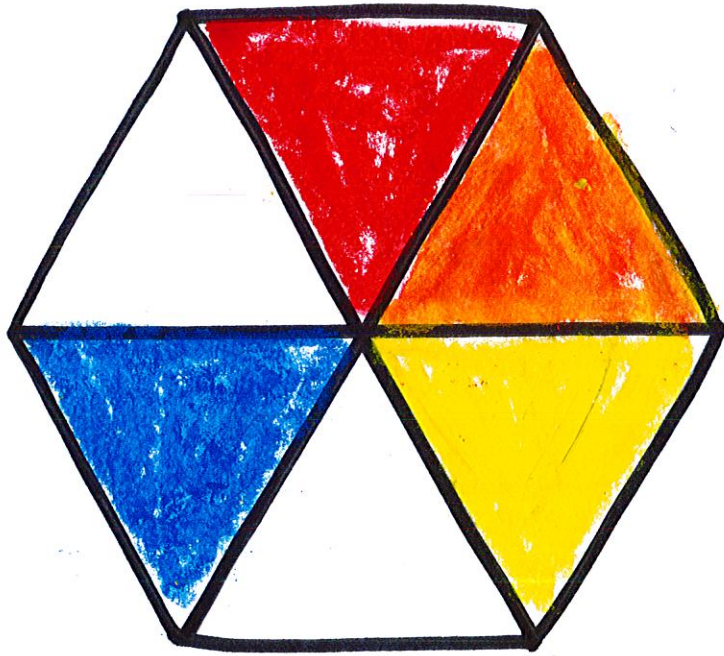

make green
blue (color LIGHTLY) + yellow

make purple (sort of)
blue + red + white
